We're here, this is my house
Amazing!
You think so?
There are lots of things I've never seen before...
Hey!

哎?
I even said not to touch it...
WAH! This is spraying water!
Well, duh...
A GHOST!!
AREN'T YOU ONE!

Ji Chen, what are these?
Ah, I said not to fiddle with things...
Is this water for drinking?
Stop messing around! Put that down!!
Ooh! This is...
Phew! I've had enough, I'll sleep for a bit, go buy something for me...
OK
What a pain, better get rid of her as soon as I can
What do you want me to buy for you...?

I need clothes of the highest quality, a one-piece undergarment for little girls, made of silk—
坐起
There aren't any! Even if there were, I still couldn't buy them!
Then buy me something that girls wear these days, I don't care ——
If you don't buy me clothes, I won't wear anything in human form!
Hey! Wait a sec ——

Ugh, what a pain in the ass...
If I don't buy it for her, then when I go outside and she's naked, I'll probably go to jail.
XX 监狱
I'm innocent!
She's already asleep. eh! Can't ask her what kind of clothes she wants

Should I buy clothes for an eight year-old or ten-year old girl? Western traditional, or normal clothes?
Out of everything, buying clothes is definitely most troublesome.
有3!
Just need to say that it's for my sister!
I really am quite quick-witted!
嘿嘿
?

Miss Yan...
What's she doing out this late?

Happy New Year, everyone!

I promise I won't burn myself out
this January like I did last time...
